

### **Announcing: FRI Faculty Research Grants 2018-2019 Cycle**

The Feminist Research Institute is now accepting applications for Faculty Research Grants. Grants of up to \$1,500 will be awarded in Fall 2018. These annual grants are intended as “seed money” to support feminist (including LGBT, Queer/Quare) research or projects focused on the study of gender and/or sexuality. Funds may be requested for research trips, supplies, graduate assistant stipends or other research expenses. They are **not** intended to support conference travel or stipends for the applicant.

Proposals for interdisciplinary projects are particularly welcome, and junior faculty are encouraged to apply. Only full-time tenured or tenure-track faculty are eligible.

Proposals for research about or in collaboration with women outside the United States will be considered for the Susan Geiger award, which is given in memory of 1997 Feminist Research Institute Visiting Scholar and University of Minnesota Professor Susan Geiger.

Applications are due **Nov. 9th, 2019 by 11:59pm MST**. Please submit the materials listed below in order electronically as **one** PDF file or .doc/x Word file to Ailesha Ringer at [femresin@unm.edu](mailto:femresin@unm.edu).

**Applicants should submit the following required materials in a single computer file (.doc/x or .pdf, please) in the following order:**

1. A cover page with current contact information (department affiliation, campus mail address, e-mail address, and telephone number).
2. A two-page proposal that clearly explains, in **non-specialist** language, the focus of the research project, its theoretical/methodological groundings in feminist/LGBT/Queer/Queer of color literature; its connection to FRI's mission, and how the funds will be used to advance your work (single-spaced, 12-point font).
3. A brief CV.
4. A detailed budget that outlines research and/or travel expenses. Please indicate other funding sources pursued (pending or awarded)

Research travel for spring applicants should be completed by June 30, 2020. All travel reimbursements must be submitted within 15 days after returning. Each awardee will be asked to give a public talk on their research the semester after it is completed and will be asked to acknowledge the FRI in any talks, papers, and/or projects that this grant helped to foster. For more information, please contact Graduate Assistant, Ailesha Ringer at [femresin@unm.edu](mailto:femresin@unm.edu) or Director, Dr. Liz Hutchison at [ehutch@unm.edu](mailto:ehutch@unm.edu).
