Latinx Summit for Courageous Conversation

The Latinx Summit is our annual convening of Latinx people to build capacity for racial equity leadership in the United States and beyond.

Courageous Conversation staff, speakers and participants may freely engage in the languages spoken by Latinx communities while discussing relevant issues that draw on community-based experiences unique to members of the diaspora. While recognizing the importance of creating affinity space for cultivating emerging racial equity leadership, all are welcome to join this rich and rare gathering.
