

Rising juniors or seniors **APPLY NOW** to the North Carolina Central University Research Institute for Scholars of Equity

Research Institute for Scholars of Equity (RISE) is a fellowship program that prepares a new generation of scholars committed to addressing issues of social equity. Fellows will conduct rigorous, high-quality research in education that will improve the schooling experiences and academic attainment of pre-kindergarten through university-level African-American and Latino students. Fellows will be mentored by stellar faculty and will be prepared to pursue doctoral education.
